DOCOF 2015

Help us showcase ODTc's training program . . . Join our DOCOF team this year!

It's time to start getting ready for the Dog Obedience Clubs of Florida competition which will take place Labor Day Weekend at the Silver Spurs Rodeo Exhibition Hall in Kissimmee/St. Cloud this year. This competition was designed to **showcase each club's training program** and the teams for Orlando will be selected using the following criteria:

Any ODTc member interested in being on a team must provide the **Training Director with their dog's show history for 2014** including number of times entered, number of times qualified, scores and placements. Please email your **dog's registered name, call name, registration number, and jump heights** if you wish to be considered. We realize that some novice dogs may have very limited or no showing history, but that is ok - send what you have!

Those wishing to be considered for a team spot are asked to email the requested information to Linda Unger at lindalu752@hotmail.com

Thank You.

 - **If you have NQ'd in the individual exercises,** the judge might decide to release you from group exercises. You count as a dog defeated (for OTCh point calculations).
 - The judge might decide to excuse you from the remainder of the class and the group exercises. You are marked Excused, and do not count as a dog defeated.
 - **If you have NQ'd and the judge does not** release or excuse you, you do have the option to return for the group exercises. You must check in if you intend to return.

- **Briefings for Preferred Novice, Novice A, and Beginner Novice** are shortened to 10 minutes
 - Briefing time will be published
 - **Class time will be listed as “to follow briefing”**
- **Judge may start a class early if all exhibitors are** checked in and agree

Gabe's Home!

Want to thank everybody for the moral support you gave me when little Gabe was missing. I really felt all of you w/me. Couldn't believe how many people from all over saw the post and came to me at the trials in Eustis to ask about Gabe. Very grateful to the person that found him and also to Mary Anne Fitch for getting on the horn to others, that's how Gabe was found, through a mutual person that Mary Anne and I knew. Had met this lady many years ago, small world how our paths crossed once again. Of course when I went to pick Gabe up, he came to me, gave me the most beautiful front sit, looked up at me w/a "hi!!!!". No, did not ask him to do a finish, picked him up and hugged him, he gave me his usual many kisses. Billy had given him a bath, well taken care of, said he even got to sleep on her water bed on Fri. night. Wouldn't stop doing his happy circling that he does, threw a light blanket over him so he would lay down. He was not traumatized, took everything in stride, looked as if he'd been out for a light stroll around the block. This is something I would never wish on anybody to have to go through. Thank you to Billy for taking good care of Gabe, and thank you Lord for bringing him back to me. Welcome home Gabe, Aline

March 13, 2015, LEKC, Eustis: Rally:

Domino, Sheltie, earned his **5th & 6th RAE legs**. In 2nd trial, 196 out of a possible 200 score, earning **High Combined**.

Loki, Sheltie, earned **2 RE legs**, placing in both trials. This was Loki's first attempt in Excellent.

Lacie, Beardie. This was the icing on the cake for me. Lacie, 9 mths. old, first time in the ring, 1st trial, **1st place**, 2nd trial, **4th place**, earning **2 legs towards her RN title**. So proud of this little girl.

Thank you Domino, Loki, and Lacie for jobs well done. You all make me proud of you.
Aline

March 14 & 15, 2015, CFODC:
Sat. 14th,

Gibbet, Briard, (pictured right) earned her **Grad. Novice title**, 1st place, onto CDX title. Love working w/ this girl.

Sun. 15th, Domino, Sheltie, earned his **1st Open Leg**. We had to go for a 1st place runoff, of course I'm never ready in thinking it won't be

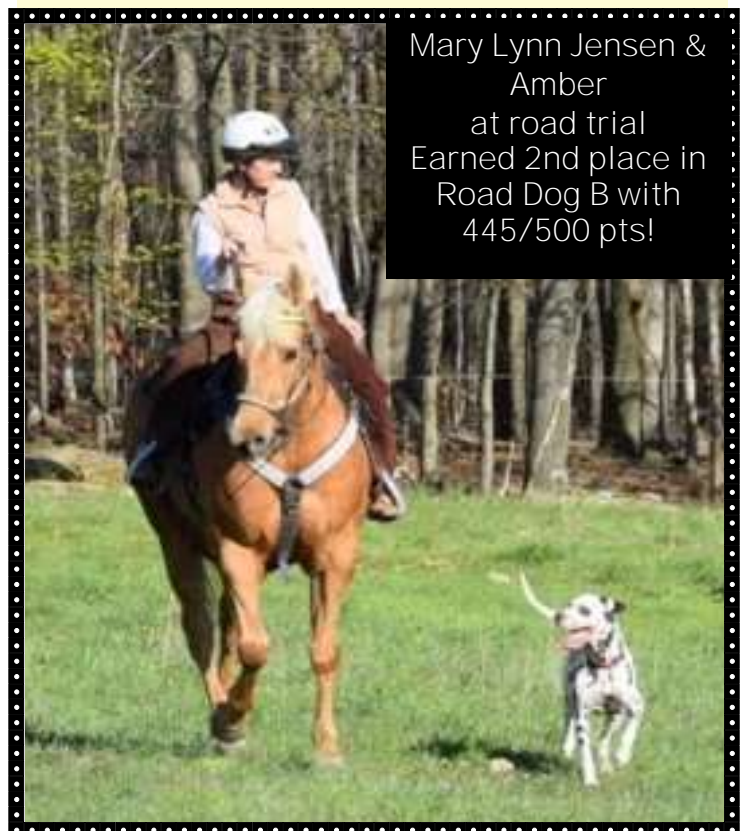

me. I know, should get over this and be prepared. Domino was wired going in because I was not ready, other dog a bit better on his heeling, lost the runoff, **2nd place**. I'll take it J. From now on, I'll make sure for team, " (?) and Aline", to be ready.

Thank you Gibbet and Domino for jobs well done. Love all you guys.
Aline Brisendine

DON'T FORGET . . . As you earn your titles, e-mail our webmaster and have your dog's titles added to our Webpage. An e-mail with your dog's new title, the month/year earned, your dog's registered name and call name, breed, and your name are all that's needed.

Thanks to ODTc for another incredible trial! A lot of hard work goes into the trial behind the scene and at the scene and I am thankful for everyone who participated! Zena showed me her potential on Sunday when we showed...**first place in pre-open** with a 193 and **first place in wild card open** with a 195.5. Thanks to all who have helped us along this journey....novice here we come a soon!

UMDTA's UKC Trials held 4-11 & 4-12, Ocala:

Saturday, Domino and Loki, Shelties, earned **2 legs towards their U-CD titles**, Loki earning a High-in-Trial in trial 2. Both had to go for a runoff against each other, Loki got it. In the first trial, Domino & Loki had to go for a runoff against Sharie and her Poodle, Teddy. Sharie and Teddy got it, Domino and Loki were to excited to settle and do a good job. Congrats to Sharie and Teddy.

Sunday, Domino and Loki earned their **U-CD titles**, Loki earning **another High-In-Trial**. Again, they had to go for a runoff against each other, not an easy thing to do for sure. These 2 are Gabe's kids, they made their dad proud.

Takoda, Golden Ret., well, what can I say about Takoda. He had a rough weekend, NQ'd 3 of the 4 trials by making himself comfortable in a sit/wait for the drop on recall, when called, just sat comfortably, he was hot, does not do the greatest work in the heat. Takoda's going for his U-CDX. Finally, on Sunday, the 2nd Trial, he redeemed himself by earning his **1st leg towards his U-CDX title**. When this dog puts his mind to working, he can. He took **1st place, High-In-Trial** w/a 198 score. Would have been great if he would have done that all 4 trials :-). Another time, he'll then earn his title.

Thank you Domino, Loki, and Takoda for jobs well done.

WORKING SLOTS

Working slot handlers return time after time to work with Victory because of her pleasant manor and patience in teaching handlers and dogs. You will not meet a nicer seminar presenter. A lot of handlers are intimidated by such a talented individual, but please do not be. Victory is very helpful and very kind in her critiques.

ONLY 15 Two Day Working Slots are available

Working Slot handlers will have a front row space reserved for them with room for crate (s) & chair(s). You may work only one dog per exercise, but may bring and work multiple dogs (on different exercises throughout the seminar). You really get great value for your training dollars this way! **Video is allowed for working slot handlers.**

ODTC members have until May 11 to send in a 50% deposit for working slots. Full payment due by May 30.

On May 11 we begin accepting enrollment from non-members and the slots will fill quickly. Sorry, no ODTC bucks may be used for the working slots.

AUDIT SLOTS

This is truly a seminar where you will get a lot out of auditing. You owe it to yourself and your dog to come see Victory's ideas in person. Her techniques are not just the same old re-runs from other trainers! She has new and creative ideas and her techniques will help you get more out of your dog and more enjoyment out of your training time! Unlimited Audit Slots are available. All auditors may bring quiet, crated dogs. Up to 50% ODTC bucks may be used for auditing slots only.
